Dear Members,

RE: STATE ENVIRONMENTAL QUALITY REVIEW
Harp Estates
New Windsor, Orange County

This Department has no objection to the Town of New Windsor Planning Board assuming the role of lead agency for this action.

We have reviewed the Environmental Assessment Form (EAF) and find the estimated number of vehicular trips to be accurate.

A traffic study should be prepared for the proposed project, please forward a copy to us for review.

Please be aware that a state Highway Work Permit will be required for any curb cuts and/or work within NYS Route 300 right-of-way.

Very Truly Yours,

Adrienne G. Bautista
